Subject Index

A

Abortion. See: Medico-moral problems

ACCOUNTING

See also: Costs; Credit and collection; Financial management; Hospital Administrative Services; Income for hospital services; Rates
Administrative profiles: hospital accounts receivable. S 16-22
Data processing: annual administrative review. (Howell) Ap 1-60
Direct deposit payroll. (Holbrook) Mr 1-84
Electronic data processing and the small hospital. (Hennessey) F 16-61
Hospital information systems. (Gillette & others) Ag 16-76; S 1-45
Refunding excess benefits to the patient rather than the insurance carrier. (Q/A) Ap 1-34
Simplifying a payroll system in a small hospital. (Q/A) My 16-33

ACCREDITATION

Accreditation loss feared by D.C. General Hospital. (N) O 1-137
Accreditation problems. (Porterfield) Ja 16-12; F 16-20; Mr 16-16; Ap 16-16; My 16-18; Je 16-19; Jl 16-17; Ag 16-16; S 16-14; O 16-10; N 16-24; D 16-19
Commissioners postpone final approval of interpretation of JCAH standards. (N) Ja 1-31; give final approval to 15 of 16 new standards. (N) My 16-43
JCAH endorses Student American Medical Association externship program. (N) F 16-120
One-year accreditations given two major municipal hospitals. (N) My 16-119
Unannounced surveys. (C) (Polissar) O 16-8

ADMINISTRATION

Efficiency and quality of patient care. (Landdeck) S 16-41
Health care issues of the 70s: a series of eight interviews. Ja 1-46
Hospitals said to elude management efforts. (N) My 16-119
Management: annual administrative review. (Morris) Ap 1-113
Physician as manager. (Ainsworth) D 16-53
What percentage of the budget generally is spent for administration? (Q/A) My 1-18

ADMINISTRATORS

Assistant administrators rotate on monthly basis. (idea forum) Ja 1-36
Association of University Programs in Hospital Administration awarded $276,000 Kellogg Foundation grant. (N) S 1-107
Canadians establish standard-setting council. (N) Jl 16-98
Changing titles of the hospital's chief executive. (ed) (Hague) Je 16-4

Demonstrators demand appointment of Puerto Rican hospital administrator: New York City's Lincoln Hospital. (N) F 16-31
Education—continuing services: graduate program issues annual newsletter. (Wren) Jl 16-53
Hospital officials told to be more than business managers. (N) D 16-106
How many hospital administrators in the U.S. are women? (Q/A) Mr 16-34
Minority youth introduced to administration careers. (N) Jl 16-96
1969 hospital administrative residents. Ja 16-101; F 1-154
1970 hospital administrative residents. Ap 16-120; My 16-121; Jl 1-133; Ag 1-77; S 1-109; O 1-138
Northwestern University to reopen graduate program in hospital administration. (N) O 16-29
School to award B.S. degree in health administration: Ithaca (N.Y.) College. (N) N 1-132
Six fellowships established for health leadership training. (N) Ag 1-78

ADMITTING AND DISCHARGE

Admitting nurse coordinator. (Wallace) O 1-109
Appointment scheduling: outpatient department. (Mitchell & Gautreau) Je 1-58
Discharge planning for the elderly (Kulys) My 1-39
Inner-city patient: an in-depth study of patients at Cook County Hospital, Chicago, (Phillips & others) N 16-55
Preadmission testing. (Q/A) S 16-16; (C) (Buxbaum) D 16-14
Premature infant identification: transportation record. (Heller) F 16-57
Trespass suit filed by hospital seeking to remove patient: Tulsa, Okla. (N) N 1-37; suit dropped. (N) D 16-35

ADOLESCENT CARE

M.A.D. mothers demand more hospital beds for New York City's adolescent drug addicts. (N) Ap 16-113
Teen-age patients. (Bach) Ja 16-51

AFFILIATIONS

Brookdale Hospital Center and New York University Medical Center affiliate. (N) Mr 1-102
Plight of the public hospital—case study: Boston. (Sackett & Fine) Jl 1-82
Plight of the public hospital—case study: Sacramento. (Cumming) Jl 1-87
Two hospitals adopt 'administrative alliance.' (idea forum) Jl 1-28

Aged and aging. See: Extended care; Geriatric care; Medicaid; Medicare; Nursing homes

AIR CONDITIONING

Air conditioning. (Theodore) Ap 16-88

ALCOHOLIC CARE

Alcoholic patient. (Gordon) My 16-63
Alcoholic patients. (Q/A) Jl 1-20
Hospitals told to face up to alcoholism problem. (N) D 1-99
Maryland alcoholism law spurs development, expansion of hospital alcoholism programs. (Jahns) Mr 16-138
Treating acute alcoholics. (Whyte & Tildon) My 16-58

AMBULANCE SERVICE

Training course published for ambulance personnel. (N) Je 1-116

AMERICAN HOSPITAL ASSOCIATION

AHA called on to exercise its 'muscle' in support of neighborhood health centers. (N) S 1-108
AHA committee calls for sweeping reforms in delivery, financing of health care services. (N) D 1-21
AHA institutes for 1971. N 16-57
AHA to salute schools of nursing with Tournament of Roses float. (N) D 1-98; riders chosen. (N) D 16-103
AHA's annual meeting. (special report) Mr 16-53
Checklist for developing hospital-house officer agreements. My 16-125
Directory of officers, councils, and committees for 1970. Ja 1-19; correction. Mr 1-102
Distinguished Service Award: Charles P. Cardwell Jr. Jl 16-47
Houston '70: report on the AHA's annual convention. O 1-67
New AHA affiliated society created: American Society for Hospital Education and Training. (N) O 1-37
Perloff committee: history of the committee; the committee report; analysis of the report. D 16-39
President's inaugural address. (Berke) Mr 16-61
Program of 72nd annual convention. Ag 16-87
Regional Medical Program extension and Health Services Improvement Bill: AHA position. (Williamson) My 16-126
Statement on health care for the disadvantaged. My 16-124

AMERICAN MEDICAL ASSOCIATION

AMA convention. (special report) Jl 16-31
AMA voices concern on hospital costs, restates stand on M.D. board members. (special report) Ja 1-39

AMERICAN NURSES' ASSOCIATION

ANA convention report. Jl 1-94
ANA withdraws its nursing education principles because of 'misunderstanding.' (N) My 16-43
National Association for Practical Nurse Education and Service urges members to reject ANA courtship. (N) My 16-123

AMERIPLAY

Perloff committee: history of the committee; the committee report; analysis of the report. D 16-39

ANESTHESIA

HAS administrative profiles: volume of certain inpatient ancillary services. Ja 16-24
Manpower in anesthesia. (DN) S 1-84
Patient monitoring. (DN) F 1-138
Slide show makes surgery easier for young patients. (idea forum) Ja 1-34

ANNUAL REPORTS

Annual reports. (Slottow) Je 16-56

Areawide planning. See: Planning, Areawide

AUDIO-VISUAL MATERIALS

See also: Films
Slides add emphasis to food service training program. (Aitken) S 16-77
Teaching aids for dietary personnal. (Schaefer) S 16-74

AUTOMATION

Automated distribution system used by Swedish hospital. (DN) S 16-79
Automated food preparation and service. (Nicolaus) Mr 16-108
Automated medication order system. (Melrose) S 16-66
Automated screening systems. (Hochberg & others) N 1-55
Computer network planned to aid kidney transplants. (N) Mr 16-138
Computer to hasten matching of kidney donors, recipients. (N) S 1-110
Computerized information system: acceleration of hospital planning. (Haggerty) N 1-43
Computerized intensive care. (Osborn & Beaumont) Je 16-49
Data processing: annual administrative review. (Howell) Ap 1-60
Electronic data processing and the small hospital. (Hennessey) F 16-61
Hospital information systems. (Gillette & others) Ag 16-76; S 1-45
Laboratory automation. (Rappoport & Rappoport) Ag 16-114
Maintenance: automatic doors. (DN) F 1-122
Multiphastic screening. (Montgomery & Singman) Mr 16-71
New forms system: reduces clerical time, increases accuracy. (Pfister) O 16-53
Over-automation: automation is no panacea. (Johnson) Ja 16-80
Pharmacy: electronic data processing. (Oliver) Je 1-72
Shared computer systems. (Hammon & Jacobs) My 1-50; My 16-72

AUXILIARIES

See also: Volunteers
AHA services to auxiliaries. (Q/A) Mr 1-16
Auxiliary scholarship: publicizing and selecting applicants. (Q/A) N 16-14
Financial aid programs in support of health occupations—a guide for auxiliaries. (Q/A) O 1-20
Use of community resources. (Sigmond) Ap 16-58

AWARDS AND RECOGNITIONS

ACHA award winners. Mr 16-136
AHA's Distinguished Service Award: Charles P. Cardwell Jr. Jl 16-47
Edwin L. Crosby, M.D.—recipient of the 1970 Justin Ford Kimball Award. Ag 16-84
Hospital hopes to solve physician shortage problem: day of celebration. (idea forum) Mr 1-22

B

BANKS

Maryland hospitals launch program to aid eye bank. (N) Je 16-99

Bed needs. See: Hospital and health facilities

BEDS AND ACCESSORIES

Hazard: static electricity—mattress covers. (C) (Fisher) Jl 16-22; (C) (Conley) D 16-14
'Instant bedrooms' devised by hospital employees. (idea forum) Je 1-28

BLOOD AND PLASMA BANKS

American Association of Blood Banks appeals for action on new blood laws. (N) D 16-99
Blood transfusions. (Milles & others) Je 1-63
Conservation urged at blood bankers' meeting. (DN) Ja 16-88
Hepatitis screening called impractical. (N) N 16-20
Hepatitis: the legal battle. (Phillips) D 16-58
Illinois Supreme Court calls blood a product, holds hospital liable in serum hepatitis suit. (N) O 16-102
January proclaimed blood donor month. (N) D 16-35
Liability for hepatitis from transfusions. (DN) Je 1-65

BLUE CROSS

See also: Health insurance
Agreement ends dispute over Blue Cross contract: Massachusetts. (N) Ag 16-176
Blue Cross Plan to provide cash deposit to hospitals: North Carolina. (N) Ja 1-135
Capital Blue Cross granted 15.7 per cent rate increase. (N) Mr 1-102
Contract ends dispute between Blue Cross, hospital: District of Columbia. (N) Je 16-97
Court upholds illegality of Blue Cross drug program. (N) O 16-104
Edwin L. Crosby, M.D.—recipient of the 1970 Justin Ford Kimball Award. Ag 16-84
Hospitals to quit Blue Cross in payment dispute: Charleston, W.Va. (N) S 16-97; hospitals drop threat. (N) O 16-107
House committee questions Plan's management of funds. (N) Je 16-96
Maryland Blue Cross Plan denied 27.4 per cent rate increase. (N) Jl 1-33
Michigan Plans denied request for rate increaes. (N) N 16-118
Michigan Plans request 5 per cent rate increases. (N) O 1-137
New Jersey insurance department to set flexible ceilings on Blue Cross payments. (N) My 16-118
New York Plans receive reduced rate increases. (N) F 1-152
Philadelphia Plan to study hospital cost control methods. (N) Ag 16-183
Rate increase granted Oakland Blue Cross. (N) Ap 1-180
Rate increase granted Wilke-Barre, Pa., Plan. (N) Je 16-98
Rate increases announced by Cincinnati Blue Cross. (N) N 1-134
Rate increases granted Maryland Blue Cross. (N) Jl 16-99
Rate increases granted New Jersey Blue Cross. (N) F 16-119
Rate increases granted two Blue Cross Plans: Connecticut and Utica, N.Y. (N) Ap 16-118
Rhode Island Plan reports deficit despite rate increase. (N) Ap 16-117
Rhode Island Plan requests 37.7 per cent rate increase. (N) N 1-134
Rochester Plans will develop group practice center. (N) N 1-37
Suit seeks accounting of health insurance funds. (N) Jl 16-101
Suit seeks more consumer representation on Blue Cross Board: Philadelphia. (N) O 1-37
Wisconsin high court holds Blue Cross discount proper. (N) Mr 1-27

BLUE SHIELD

Antitrust violation charged in Utah Blue Shield suit. (N) N 1-138
Michigan Blue Shield proposes corporate reorganization to increase consumer representation. (N) S 16-35

Boilers. See: Power plant

Burn units. See: Intensive care

C

CANADA

British Columbia hospitals express concern over intent of amendments to Hospital Act. (N) Ag 16-176
Canadian hospitals fear financial storm. (N) Jl 16-97
Canadians establish standard-setting council. (N) Jl 16-98
Ontario health officials hear plea for hospital cost control. (N) D 16-104
Physician specialists end 10-day strike in Quebec. (N) N 16-117

Capital financing. See: Financial management

CARDIAC CARE

See also: Intensive care
Cardiac resuscitation program. (Kowal & others) My 16-77
Diet for the stroke patient. (Jernigan) Je 16-66
'Glassboard' helps stroke patients learn to write. (idea forum) Ap 1-28
Industrialized components: 22-bed stroke unit. Je 1-36
Stroke center speeds recovery. (Davis) Ja 16-54

CAREERS

AHA to salute schools of nursing with Tournament of Roses float. (N) D 1-98; riders chosen, (N) D 16-103
Auxiliary scholarship: publicizing and selecting applicants. (Q/A) N 16-14
Defense program to match skilled veterans with jobs. (N) N 1-137
Disadvantaged to be trained for jobs in Alabama hospitals. (N) N 1-135
Ex-corpsmen to be trained as registered nurses. (N) Mr 16-140
Financial aid programs in support of health occupations—a guide for auxiliaries. (Q/A) O 1-20
Minority youth introduced to administration careers. (N) Jl 16-96
Nursing: career commitment. (Connelly) Ag 16-142
Older, married L.P.N. student better career longevity risk. (N) S 16-100
Program proposed to attract minorities to health field. (N) Mr 1-103
School nurses seen as aides in careers recruiting. (N) F 16-121
University of Kentucky to begin training allied health teachers, administrators. (N) O 16-29
University to open school for allied health careers: New York. (N) Mr 16-140
Urban coalition given grant for health manpower program. (N) S 1-105

Carpets. See: Floors

CATHOLIC HOSPITAL ASSOCIATION

CHA names new director. Jl 1-129

CENTRAL SERVICE DEPARTMENT

Decentralized utensil processing. (Wasson) Ja 1-90
Ethylene oxide sterilization. (Rendell-Baker & Roberts) O 1-100
Irrigating solutions: inplant production or commercial purchase. (Folker) N 16-72
Microbiological contamination control in hospitals: roles of central service and the laundry. (Greene) Ja 1-98
Quality control and sterile products. (Bassen) S 16-81
Shared central service department. (Ross & Zoellick) S 1-64
Work measurement system for central service. (Larsen) F 16-78

Chain health facilities. see: Proprietary facilities

CHAPLAINCY SERVICE

American Public Health Association obtains important clarification of hospital chaplains' social security status. (N) Jl 1-134
Chaplains and long-term care. (Mitchel) Ag 1-36

Charitable immunity. See: Laws and legislation

Children's care. See: Nurseries; Pediatric care

Chronic illness care. See: Extended care; Geriatric care; Home care; Medicaid; Medicare; Nursing homes; Rehabilitation

CITY-COUNTY HOSPITALS

Plight of the public hospital—case study: Denver. (Cowen) Jl 1-61

City hospitals. See: Municipal hospitals
Civil defense. See: Disaster service
CIVIL RIGHTS
HEW revises Title 6 rules. (N) F 1-152
Labor department files wage discrimination suit against East Dallas Hospital. (N) Ja 1-31
262 nursing aides to get $65,000 back wage payment: Quincy, Mass. (N) N 16-119

Closing of hospitals. See: Hospital and health facilities

Collection. See: Credit and collection

Collective bargaining. See: Unions and collective bargaining

Communicable disease care. See: Infection control

COMMUNICATION SYSTEMS

See also: Television
Appointment scheduling: outpatient department. (Mitchell & Gautreau) Je 1-58
Computer network planned to aid kidney transplants. (N) Mr 16-138
Disaster line installed at Wisconsin hospital. (idea forum) N 1-34
Emergency radio network. (DN) F 16-71
Hospital emergency command system. (Nobel & Mosenkis) Ag 16-130
Sophisticated radio network successful: used for speedway disaster. D 1-46

COMMUNITY AND THE HOSPITAL

Areawide planning: involvement of consumers. (Graves) O 1-46
Changing urban scene: urban hospitals must work with the ghetto community. (Zborowski) D 1-33
Court bars Young Lords from Lincoln Hospital, New York City. (N) S 16-100
Discussions follow in wake of hospital building 'occupation'—Lincoln Hospital, New York City. (N) Ag 1-19
Feeding the poor: hospital works within government program. (Hirsch) Jl 1-97
Hospital offers classes to local senior citizens. (N) My 16-119
Hospital opens telephone counseling bureau. (idea forum) D 1-28
Patients act as advisors on health care. (idea forum) Ap 1-31
Promise of drug detoxification unit and rehabilitation program ends sit-in at New York City hospital. (N) F 1-53
Reaching out to the poor: health care expediters for liaison. (Vodev) Ag 16-70
University of Chicago symposium examines problems of middle-aged urban hospitals. (N) Je 1-116
Volunteer management engineering program. (Movshin & Pryor) O 1-63

Community hospitals. See: Small community hospitals

Computers. See: Automation

CONSENT, LEGAL

See also: Law and liability
Autopsy authorizations. (Q/A) Ja 1-14
Consents: recent developments. (L) (Bernstein) D 1-85
Minor needs parents' consent to abortion, court rules. (N) N 16-114
Surgical consent forms. (DN) Ap 16-92
Uniform card developed to expedite anatomical gifts. (N) My 1-108

CONSTRUCTION

See also: Planning
Concrete hospital parking structure collapses. (N) My 1-106
Construction costs delay work on Dallas hospital. (N) Ja 1-134
Construction notes. Ja 16-103; F 1-156; Mr 16-28; My 1-25; Je 1-36; Jl 1-136; Jl 16-14; Ag 16-34; S 16-32; O 1-141; O 16-14; N 16-23; D 16-24
Court rejects National Labor Relations Board ruling holding boycott illegal: Holy Cross Hospital, Detroit. (N) S 16-96
Innovations in planning and design. (special issue) F 1
New Jersey legislature passes certificate of need bill. (N) Je 1-43

Continuing education. See: Teaching function

CONTRACT SERVICE

Centralized commercial linen service (Schoenfeld) S 1-69
Food service: vending operations. (Hadden) Je 16-64
Hospital-operated vs. contractor-operated food service in hospitals: for the hospital food service manager. (Myers); for contract food service management. (Moreland & Lawson) Ja 1-104
Methods improvement: using community resources. (Flannagan) Ag 1-34

CONVEYORS

Automated distribution system used by Swedish hospital. (DN) S 16-79
Automated food delivery systems. (Doyon) F 1-109
Materials management: conveying systems. (Kirby & others) F 1-117

Coronary care. See: Cardiac care

COSTS

Medical costs may double by 1980, economist warns. (N) Mr 1-104
Nursing care for Medicare patients. (McClusky & Smith) Mr 16-93
Place mats help explain rising hospital costs. (idea forum) Ag 1-12
Salaried professional services: medical staff cost study. (Manning & Weinstein) Ag 1-25
What percentage of the budget generally is spent for administration? (Q/A) My 1-18

COUNTY HOSPITALS

Chicago's Cook County Hospital begins phasing out services. (N) Je 1-43; control transferred to apolitical body, threatened closing averted. (N) Je 16-37
Inner-city patient: an in-depth study of patients at Cook County Hospital, Chicago. (Phillips & others) N 16-55
Larger medical staff signifies recovery for Chicago hospital. (N) S 1-110
Measures approved to aid crowded county hospital: Los Angles. (N) F 16-118
Medical services curtailed at Chicago's county hospital. (N) Mr 16-137
Plight of the public hospital—case study: Chicago. (Freeark) Jl 1-57
Plight of the public hospital—case study: Sacramento. (Cumming) Jl 1-87
Plight of the public hospital—case study: St. Petersburg. (Padova) Jl 1-90
Residents file suit against medical center in protest over overcrowded conditions: Los Angeles. (N) F 1-151

CREDIT AND COLLECTION

Installment collections. (Phelps) S 1-43; (C) (Dignam) N 16-16

D

Data processing. See: Automation

DECORATION

Modern graphics spark unique cafeteria design: Barnes Hospital, St. Louis. (idea forum) O 1-30
Office landscaping: medical records. (Kraft & Maher) N 16-44

Definitions. See: Terminology and definitions

Delivery of health care. See: Health care delivery

DENTAL CARE

Dental surgery: what information should be contained in an operative report? (Q/A) My 1-16
Hospital dental equipment. (Roistacher) Ap 16-54

DIETARY DEPARTMENT

'Adventures in dining' improve employee morale. (idea forum) F 1-28
American Dietetic Association convention report. D 1-66
Associate in arts degree program for food service supervisors. (Yanochik & Farone) Je 1-95
Attractive holiday meals for patients on modified diets. (Jernigan) D 1-69
Automated food delivery systems. (Doyon) F 1-109
Automated food preparation and service. (Nicolaus) Mr 16-108
Batch cooking. (McIver) O 16-84
Change, specialization, participative management, self-education—factors in the dietitian's future. (Mertens) Ag 1-43
Charting diet information. (Q/A) Jl 1-22
Contamination of dishwashing facilities. (Jopke & Hass) Mr 16-124
Controlling cafeteria costs: cash register modified to meet needs. (Walker & Gunter) Ag 16-122
Correspondence study program. (Konhauser) Ag 1-40
Diabetic patients require education and understanding. (Jernigan) N 1-77
Diet for the stroke patient. (Jernigan) Je 16-66
Dietetics and human ecology. (Henderson) Jl 16-78
Disposables in food service. (Jernigan) Ap 16-80; (C) (Simms) Ag 16-24
Eating utensil helps patients feed themselves. (idea forum) My 1-32
Evaluating the patient's tray—a suggested program. (Herman & Bloch) D 16-69
Exhibit at National Restaurant Association convention features time-saving equipment. (Jernigan) O 1-115
Expanding a food service system. (Schaffer & Wagman) N 16-81
Facts about fish. (Goodson) Ja 16-59
Feeding the poor: hospital works within government program. (Hirsch) Jl 1-97
Five small meals served to young patients. (idea forum) S 1-26
Food acceptance vs. serving frequency. (Zellmer) Mr 1-75
Food cart delights young patients. (idea forum) N 1-30
Food service: annual administrative review. (Hubbard) Ap 1-87
Four meals a day. (Mumma) Ap 16-77
Freeze-dried foods. (Quam) D 16-66
HAS administrative profiles: dietary direct costs. My 16-50
Hospital-operated vs. contractor-operated food service in hospitals: for the hospital food service manager. (Myers); for contract food service management. (Moreland & Lawson) Ja 1-104
Human resources: effective utilization of dietary manpower. (Blaker) My 1-68
Insulated trays facilitate meal delivery, improve food service. (Laudenslager) N 16-86
Management employees like rotating schedule for days off, holidays. (Stinnett) My 1-72
Menu count: a time-saving statistical technique. (Schmitz) F 16-94
Military flight meals. (Manor) O 16-82
Modern graphics spark unique cafeteria design: Barnes Hospital, St. Louis. (idea forum) O 1-30
New trends in equipment. (Jernigan) F 16-97
Noncredit course in dietary management. (Staudenraus & Lamm) Je 1-94
Nursing home officials criticized in salmonella deaths: Baltimore. (N) O 1-37
Orientation and training. (Worthington) N 1-72
Pediatric menu terminology. (Bachrach) My 16-84; (C) (Sutula) Ag 16-24
Policies and procedures for the dietary department. (Puckett) F 1-112
Prepackaged tube feedings. (Gormican) S 1-58
Radiation emission limits set for microwave ovens. (N) D 1-96
'Science of survival'—theme of third international food congress. (DN) O 16-86
Selection of mobile storage equipment. (Jernigan) Ja 16-61
Selective menus. (Abood) Ag 16-123
Slides add emphasis to food service training program. (Aitken) S 16-77
Staphylococcus a leading cause of food poisoning. (DN) Ja 1-108
Suggestions for feeding of hospitalized children. (Jernigan) My 16-86
Teaching aids for dietary personnel. (Schaefer) S 16-74
Text provides aid for institutional managers. (Davenport) Ag 16-125
Tray assembly procedures. (Stewart) O 1-112
Use and care of china. (Jernigan) Mr 16-114
Value of therapeutic diets is disputed. (DN) Mr 1-82
Vending operations. (Hadden) Je 16-64
Wholesome meat act requires federal and state inspection of meat. (Jernigan) S 1-60

DISASTER SERVICE
